

## ***Death Benefit Insurance***

Death Benefit Insurance Grant (DBI)  
of €1,950 available

Cuchullain Credit Union currently offers a grant towards the funeral expenses of a deceased member.

At present this grant is €1,300.00 and is paid from operating expenses, therefore there is no direct cost to the member.

The member must have joined the credit union before their 70th birthday and have had no pre-disposing medical condition that would invalidate the claim.

To claim this benefit a member's next of kin or the person who has paid their funeral expenses will need to present the credit union with the bill or receipt from the undertaker.
